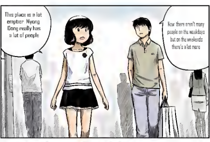
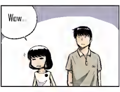
Son Jang-Won

#011



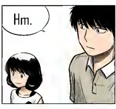
This place is a lot emptier. Myong Dong really has a lot of people
Now there aren't many people on the weekdays but on the weekends there's a lot more

TN: Big shopping and tourism district in Seoul.



Do you have a hard time around so many people?

No, not really. It's fun to be surrounded by a lot of people.



These are your clothes. Can you carry some?

I can't do it because my body is too small
턱-

Sfx: Drag

Che.
It looks weird when you make a kid carry bags

Do I look like a person who cares about stuff like that?

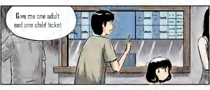
Let's ride a cable car here and go up.

Are you already tired?

No. I'm trying to see more sights

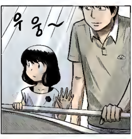
If you're at Nam mountain, you must ride the cable car!
Hm.

It's been a long time...

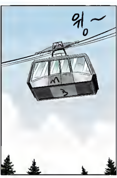


Give me one adult and one child ticket

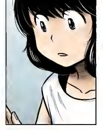
Sfx: Open

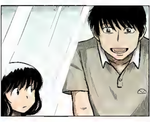


Sfx. Vrooom

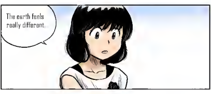


Sfx Vrooom



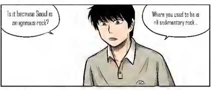


I think it's been twenty years since I rode one!



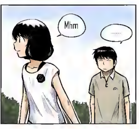
The earth feels really different.

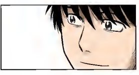
TN: Igneous rocks are formed when molten magma quickly cools.



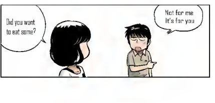
Is it because Seoul is an igneous rock?
Where you used to be is all sedimentary rock ..

TN:Sedimentary rock, however, are formed by the deposition
and cementation of a material on the earth's surface

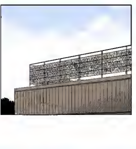


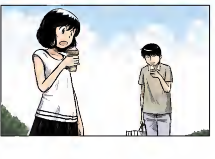


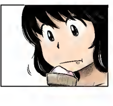
Do you want ice cream?

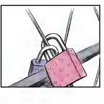


Did you want to eat some?
Not for me It's for you

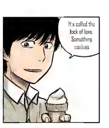




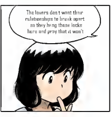




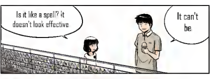
What are those locks?



It's called the lock of love Somathing useless



The lovers don't want their relationships to break apart so they hang those locks here and pray that it won't



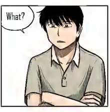
Is it like a spell? it doesn't look effective
It can't be

Hm.

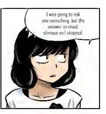
You...

……

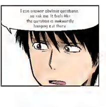
No.



What?

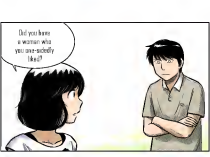


I was going to ask you something, but the answer seemed obvious so I stopped

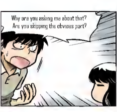


I can answer obvious questions, so ask me. It feels like the question is awkwardly hanging out there

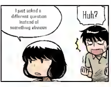
……



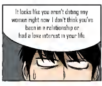
Did you have a woman who you one-sidedly liked?



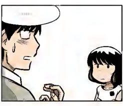
Why are you asking me about that? Are you skipping the obvious part?



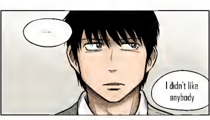
I just asked a different question instead of something obvious
Huh?



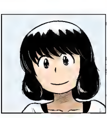
It looks like you aren't dating any women right now I don't think you've been in a relationship or had a love interest in your life



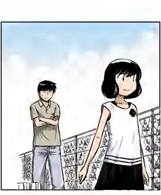
What's your answer?



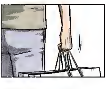
I didn't like anybody

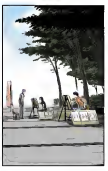


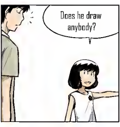
See.



It's not a lie.







Does he draw anybody?

Ah the people who draw portraits

I'm going to ask him to draw me one!

Ah? Why something like that...

To be continued…
